USSR-AFGHANISTAN-PAKISTAN: Soviets Allege incursions

The Soviet media are emphasizing charges that Pakistan is militarily involved in Afghanistan. TASS last week accused Pakistan of mounting "armed provocations" that include direct use of its troops in combat in Afghanistan. *Pravda* replayed an Afghan press story alleging that Pakistani troops had entered Paktia and Paktika Provinces. Until now, Moscow has exchanged charges with Pakistan only over shelling and air attacks. (C)U
